Clutch

Moolya Solution – ContinuousCare

ContinuousCare: Supporting Customers, Continuously!

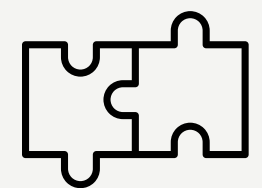

Business Problem

Identifying the gaps in efficiency, prioritization, and ITSM integration

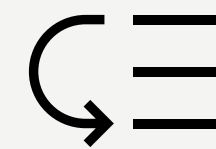

Inefficiency in Multi-Channel Support

Silos between email, chat, and ticketing lead to delayed responses

Fragmented ITSM Integration

Poorly implemented or unscalable ITSM frameworks hinder resolution

Inadequate Ticket Prioritization

Critical issues are not flagged or escalated appropriately

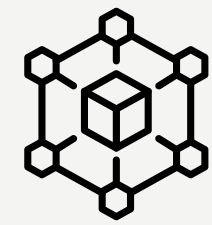

High Workload with Limited Insights

Lack of real-time analytics for tracking agent performance and SLA adherence

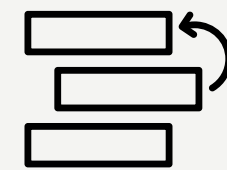

Solution Highlights

Streamlining email, chat, and ITSM for seamless operations.

Multi Channel Integration

Unified Dashboard to identify tickets in one place

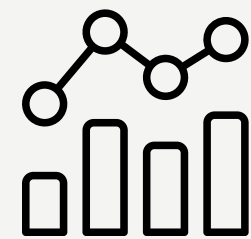

Ticket Prioritization

Rank and escalate high-priority tickets based on SLA, impact, and urgency

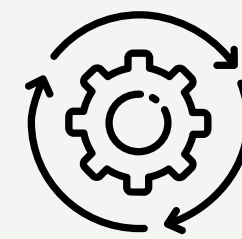

Knowledge Base

Continuous Learning & Sharing with the Knowledgebase - Academy

Analytics

Comprehensive dashboards showcasing resolution times, ticket volumes, and SLA metrics

Automation & Alerts

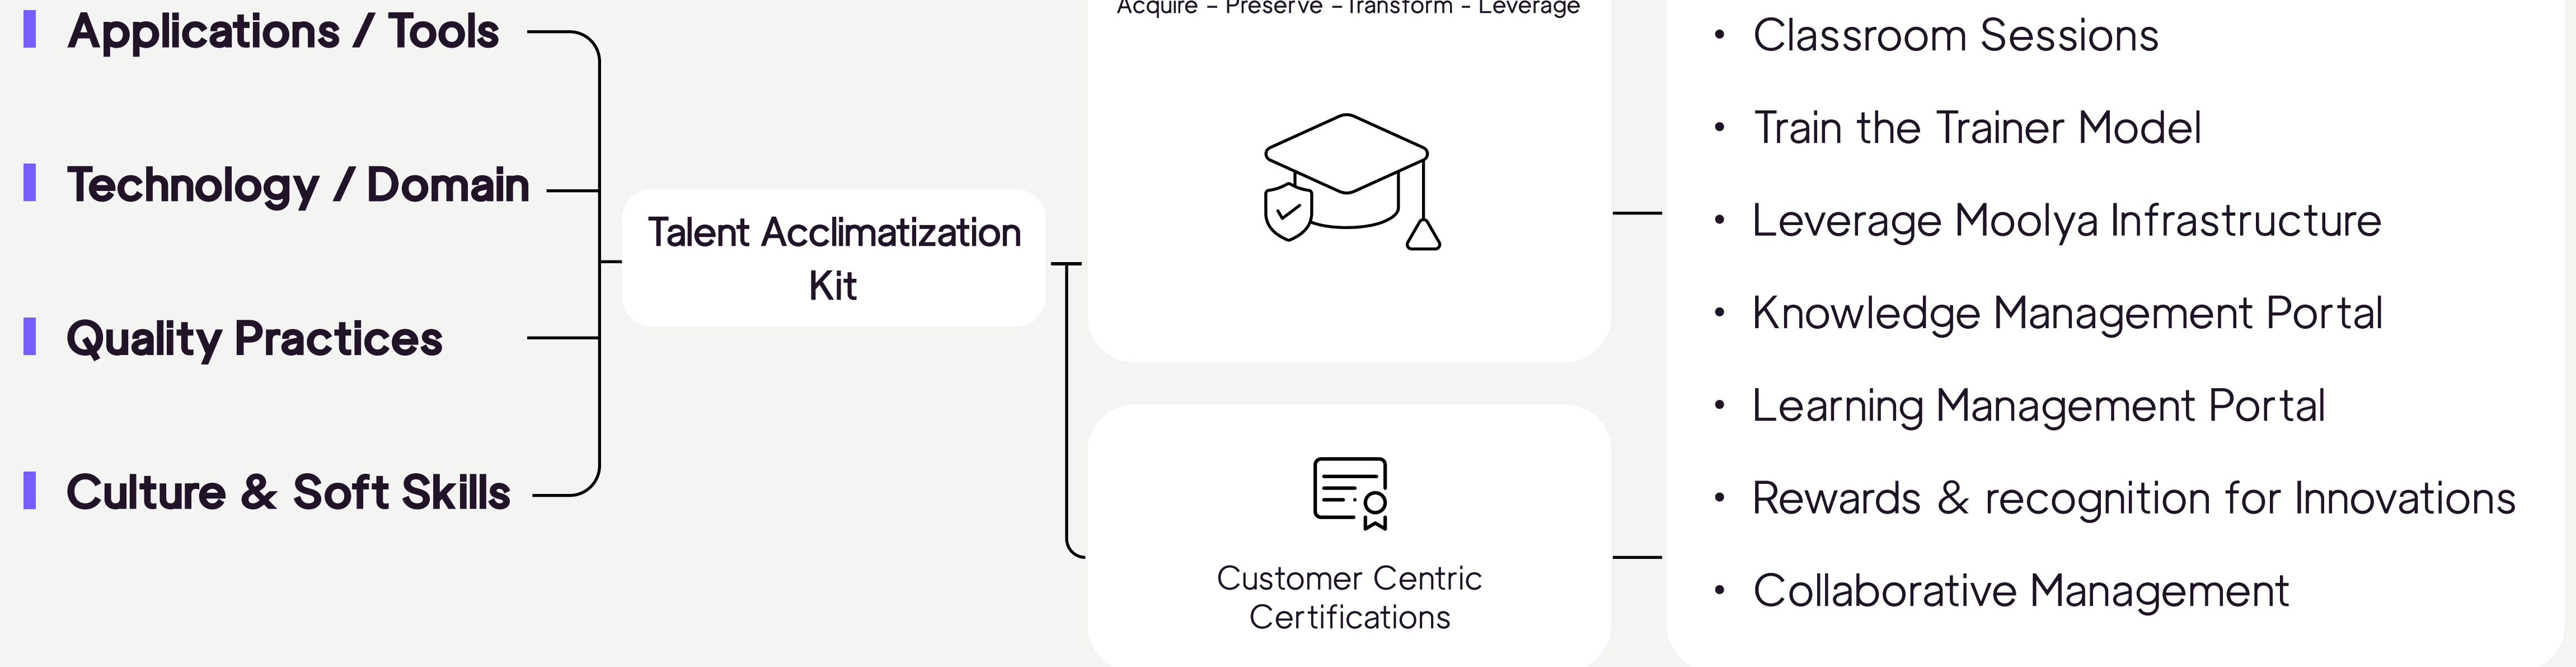

Automated alerts for SLA breaches and ticket reassignment

ContinuousCare by Moolya – Transforming Support Experiences with Innovation

Moolya's Academy

Streamlining email, chat, and ITSM for seamless operations.

Scale Up Academy Model as per Customer's Demand

Value Proposition

How ContinuousCare transforms support operations

Personalized, Proactive, and Collaborative Solutions

How ContinuousCare adapts to your unique needs

■ Tailored Solution

- Custom workflows and integrations for client-specific needs

■ Proactive Support

- Anticipates issues to maintain uninterrupted operations

■ QA Backing

- Custom workflows and integrations for client-specific needs

■ Collaboration Focus

- Enhanced communication and teamwork among support teams

Case Study

A healthcare Major in USA

Streamlining Web App Support for 28,000 Users

Client Overview

- Users : **28,000**
- Platform : Web App
- Support Channels : Chat and Email
- Support Coverage : **24x7 with P1 & P2**

Scope of Support

- Service Requests : 1-12/week
